AMERICA'S LEADING REGIONAL RETAILER HAS MOVED TO THE NEW YORK STOCK EXCHANGE

A leading regional retailer that has achieved new records in sales and income before extraordinary items in each interim and year end reporting period since its founding in 1959, Heck's serves a growing multi-state market. The company operates 30 major discount stores, 52 women's shops, owns four wholesale distributing companies, the largest homefurnishings and furniture department store in the State of West Virginia and a retail music store. Completing its biggest expansion year in calendar 1972, Heck's opened 11 new discount stores and plans to open another 10 major units in 1973. Income before extraordinary items has grown at a compounded annual rate of 40 per cent over the last five years and sales have advanced at a compounded annual rate of 28 per cent over the same period. Copies of Heck's latest annual report are available upon request.
